SENATOR SIMPSON: Senator Savage.

SENATOR SAVAGE: Mr. President, members of the Legislature, when the new State Office Building is completed, it will require some of the present occupants of this building to move and it will necessitate reassignment of some of the other Departments of State Government including the Legislature. The Department of Administrative Services has tried to place the legislative offices down on the first floor which we are objecting to and this bill will give the Executive Board and the Legislature the power to control space for legislative use, and in view of the fact that they are trying to push us around a little bit, why I move that this bill be introduced.

SENATOR SIMPSON: Further discussion. Senator Syas.

SENATOR SYAS: I favor the bill but we are suppose to have that, just like the other day, the intent and purpose on our desk.

SENATOR SIMPSON: Any further discussion? If not, the motion is to introduce the bill. All in favor vote aye. Those opposed vote nay. Voting aye.

CLERK: Senator Simpson voting aye.

SENATOR SIMPSON: Senator Keyes, you will have to take your seat and vote. It takes 30 votes. I will hold it open. There is at least one moving to their seat, well, two. The Clerk will record.

CLERK: 32 ayes, 0 nays, Mr. President.

SENATOR SIMPSON: The bill is introduced.

CLERK: Mr. President, a new bill, LB 986 introduced by the Executive Board and signed by the members thereof. Read title. See page 452, Journal.
